

DR. DAVID MYERS

1 A. No.

2 Q. Were you aware if anybody in her family had
3 a history of psychological or psychiatric
4 issues?

5 A. I think her mother suffers from depression.

6 Q. In your experience, does a family history of
7 psychological or psychiatric issues have an
8 impact on a patient's psychological or
9 psychiatric --

10 A. Yeah, I think there's some genetic
11 predisposition there. I don't know that
12 many families that don't have someone in
13 their family. I can't think of any. Can
14 you?

15 Q. We've all got that one uncle.

16 MR. HARRIS: Crazy Uncle Bob.

17 Q. (By Mr. Franklin) I was going to say I for
18 one have the stereotypical crazy uncle. Are
19 you aware of any history of substance abuse
20 either in Ms. Hutchison's family or by
21 Ms. Hutchison?

22 A. No.

23 Q. Okay. You diagnosed Ms. Hutchison with
24 insomnia, I believe, the first time in July
25 of 2001. Is it fair to characterize her
